Dear Mr Martin,

I know you will be well aware of the tragic situation in Burma and the thousands of refugees who have been forced to flee especially to Bangladesh. I write to urge you to do your utmost to put pressure on the government of Myanmar to ease this relentless persecution and to try to prevent further loss of life.

I enclose a copy of my letter to the Ambassador of Myanmar. I have had no reply.

With best wishes, and hoping this finds you well,

Yours sincerely,

Salem Azzam
